# Update

June 2022

---

Summer is an amazing season full of sunshine, warm days, blooming flowers and ripening fruits and vegetables. For some of us, summer is a time to enjoy the many gifts from God. It is a time one can get out into the great outdoors to appreciate all that God has created. He has filled our world with so many gifts.

This summer, I encourage you to think about the gifts God has given you. They might be the gifts of nature, the gifts of family and friends, and the gifts of shelter and food. But, God also gave each of us the ability to do unique and extraordinary things. We have been entrusted with these gifts to use them to bless others.

**“Each of you should use whatever gift you have received to serve others, as faithful stewards of God’s grace in its various forms” (1 Peter 4:10 NIV).**
